THE SECRETARY OF DEFENSE  
WASHINGTON

Dear Smith:

I have your letter of 16 May concerning the possible use of [redacted] by your agency as a training site.

Secretary Pace informs me that there are many problems in connection with the current construction and operational phases of this installation which will require detailed discussion between the Department of the Army and the Central Intelligence Agency.

Pace has designated Colonel Emmitt L. Nations of the North American Branch, Office of the Assistant Chief of Staff, G-3, to represent the Department of the Army in consideration of the details of this project. He is available to participate in the necessary discussions to develop whether or not practicable use can be made [redacted] by the Central Intelligence Agency.

If the outcome of these discussions are not satisfactory, please let me know and I will give further consideration to your request.

Faithfully yours,

Lieutenant General Walter B. Smith  
Director of Central Intelligence
